

Tennessee State University - Tuition, Fees & Charges Guide (2024-2025)

Tuition & Fees Overview

The tuition and fee schedules at Tennessee State University are determined by the **Tennessee Board of Regents (TBR)** and the **University's Governing Board**. The official fee structure is published at the start of the state's fiscal year in **July**, before the **Fall term** begins.

Students must pay their tuition and fees in full or have approved **third-party funding** to be officially enrolled. Unpaid balances may prevent course registration, access to transcripts, and the issuance of degrees.
